TIPS FOR UPLOADING PHOTOS AND VIDEOS

Uploading/sharing videos can be tricky due to the size of the files. If you're having trouble, here are some methods you can try:

1.

If your file is too large to send, you may want to trim down the length (time) of your video.

2.

If you have a Google account, try to submit your photos and videos using Google Drive. The uploads folder can be found at the end of our recipe submission form.

3.

Upload your video to YouTube. Uploads can be published as "unlisted" videos, so only those with the link can view. Make sure to send us the link to view your video!
